

1. I'm a student from India and want to learn ----- . I think it will be beneficial for my work. But I've no job of my own to carry the expenses to pay for the certificate of this course. I live only for my scholarship, it is very much difficult for me to gather such amount of money for the certificate. Financial Aid will help me take this course without any adverse impact on my monthly essential needs. So I'm badly in need of this financial aid. I want to take this course as I want to learn. This Course will boost my job prospects after graduation from my institute. It will help perform better in understanding and learning this technology and give me an edge over my competitors. A verified certificate will attach credibility to the certificate I receive from this course. I plan to complete all assignments on or before time. Also I intend to participate in Discussion Forums. I also plan to grade assignments which are to peer reviewed which I believe will be an invaluable learning opportunity. I am not that financially good to be able to pay the fees. My parents are farmer and I support my financial needs by taking part-time tuitions. I am staying in Delhi where cost of living is very high. I also have to pay my college fees. So, I really need this financial aid. I had also applied financial aid for other courses on coursera and got accepted, I am very regularly and honestly doing the courses.

2. My main career goal is to learn every day. I really want to learn and to progress in my career.

It's really impossible for me to pay for this course. I want to take this course as I want to complete the ----- on Coursera. I need financial aid because I am from INDIA and my income cannot pay for this course. Now I do not have a job to pay for it. My father

income cannot neither pay for it. I'm a fresh graduate from faculty of science, I didn't start my career yet and I need the financial aid because I can't afford the courses without having a job .I need to take this course to work and have money to increase my skill and help my father.

Taking this course will help me to learn and study this ----- and also to implement it. It can help me advance in my knowledge.

3. I don't have enough money to invest in my education, I can invest only my time now.
